
Safety

Is Our Number One Concern!!!

All the boats used in this course are personally well maintained by their owners.

All students and “Coaches” will be required to wear a lifejacket (PFD). It is recommended that you bring your own personal lifejacket. This insures your size and fit.

Lifejackets will be made available to those who wish to wait to make such a personal investment.

Class Size is Limited!!

On The Water Sailing

Following four weeks of classroom instruction, you and your crewmembers will be given the opportunity to practice those skills on the water.

The initial meeting will take place at the Yacht Club at 5:30 p.m. to meet your “coach.” At this time you will travel over to the Southport Marina where your boat is docked.

You will be guided on how to safely maneuver the boat in and out of the slip, power out of the marina and set sail.

Boats will be returning about 7:30 p.m.

What To Wear

It is cool on the water so please bring a jacket or sweatshirt. Also, soft-soled shoes (white soles) are required.

Rain? If there is no lightning we will sail – bring a rain jacket!

Dates for on-the-water training:

Monday Class Sessions

June 1, June 7, June 14, and June 21

.....

Wednesday Class Sessions

June 2, June 9, June 16 and June 23

What is the Adult Sailing Program?

The Adult Sailing Program offered through the Kenosha Yacht Club, is an opportunity for individuals to “learn the basics” of sailing. The price is competitive and the fun unlimited!!!

Skills taught include:

- ✚ how a sailboat moves forward (and sometimes backwards) through the water.
- ✚ maneuvering a sailboat in a variety of conditions.

Included in your \$100.00 fee are 4 “Land” classes, 4 “on-the-water” classes and this book from US Sailing:

“Start Sailing Right”

All applicants must be over 21 years of age. Those under 21 will be considered for class if accompanied by a parent/guardian.

Class Schedule

Mondays and Wednesdays class schedules available in May and June. The first four “land” classes will be held at the Kenosha Yacht Club, 5130 – 4th Avenue, Kenosha, WI.

Note: The first on-the-water class will be held on Tuesday, June 1st, instead of Memorial Day.

Classroom Topics

1. Parts of a Boat, Tacking and Jibing
2. Sail Shape/Boat Balance
3. Improving Sail Shape
4. Safety drills at sea

On-the-Water Skills

1. Parts of a Boat, Tacking and Jibing
2. Sail Shape
3. Practice, Practice, Practice
4. Safety Drills – “Man Overboard Drill”
